

MISSION

Our mission of Get Faded Barber College is to be the most comprehensive program to offer educational knowledge, practical, and technical skills, in a pleasant atmosphere and at a reasonable cost to our students. We continually strive to improve our skills and service by continuing the education of our staff and Instructors to enable our students to not only qualify and pass the state board of barbering and cosmetology exam, but to have a unique edge on the competition. To provide our students with the tolls and professionalism needed in successfully obtain suitable employment in the Barber Stylist field. To be the very best in their profession and to instill in the students the importance of good public relations and to fully prepare them in every capacity to work confidently, competently and competitively as professionals, and to take their chosen profession to a higher level

OBJECTIVE

- To develop professional qualities within each student.
- To teach those subject areas which are most needed and emphasize those most needed for success.
- To introduce our students of the current California Barber and Cosmetology Laws, sanitation, Sterilization and licensing laws
- To provide hands on instructional program, this will enable each student to progress as rapidly as capability permits.
- To introduce and teach the techniques involved in the latest trends
